

Bag Maker Guide

Cut x 2 Bag Makers

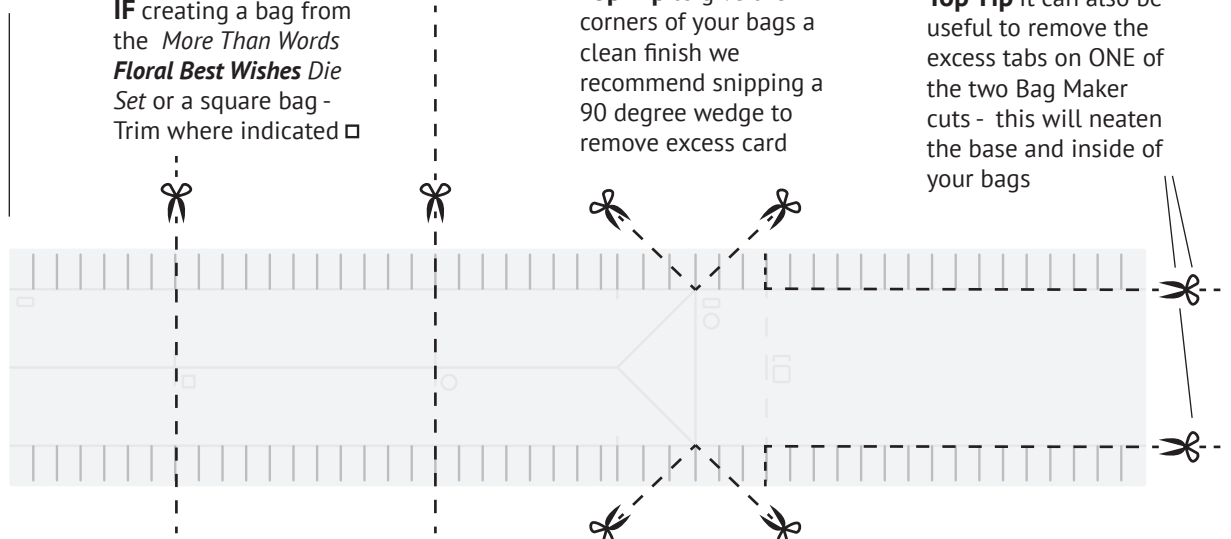

IF creating a bag from the *More Than Words Floral Happy Birthday Die Set* or a rectangular bag - leave the Bag Makers un-trimmed

IF creating a bag from the *More Than Words Floral Love Die Set* or a shallow bag
Trim where indicated ○

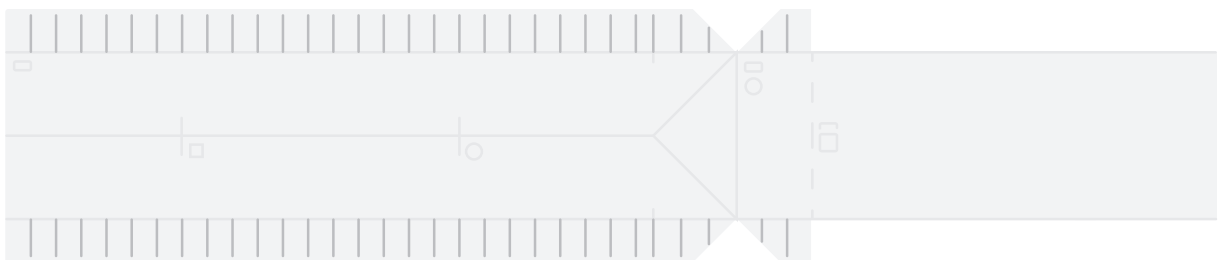

IF creating a bag from the *More Than Words Floral Best Wishes Die Set* or a square bag - Trim where indicated □

Top Tip to give the corners of your bags a clean finish we recommend snipping a 90 degree wedge to remove excess card

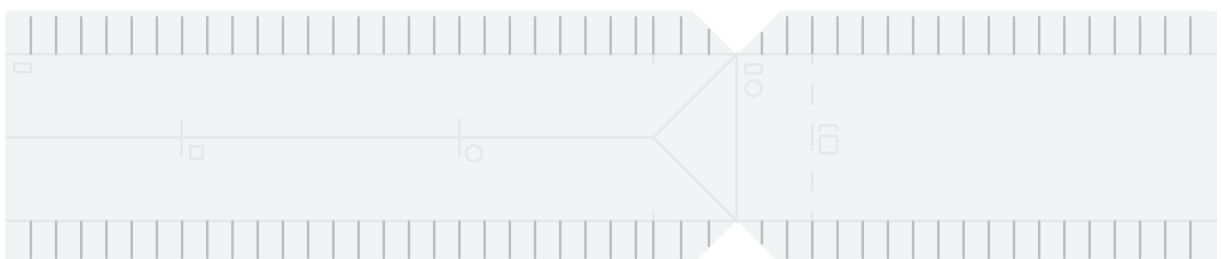

Top Tip it can also be useful to remove the excess tabs on ONE of the two Bag Maker cuts - this will neaten the base and inside of your bags

Assembly

Construct final bag

-Start with the back of the bag sticking the base ① first then each of the sides ②

-Repeat for the front - using fingers or a bonefolder to ensure a good adhesion between the Bag Maker and the front and back surfaces

-Attach optional handles to complete your bag make
